Important Calander Change

The last day of school was scheduled for Friday, June 7th. One of our greatest school traditions is our closing Mass celebrating the success of our students, teachers, and parents AND celebrating our kindergarten students at their graduation!

Due to a conflict in the church, the closing, **Mass and Kindergarten graduation will now be held on Thursday, June 6th at 10:30 a.m.** All are welcome and strongly encouraged to join us. We will dismiss from the church, and this will be our last day of school!

No School on Friday, June 7th.

MAP Testing

We would be incredibly grateful if students in grades 2-8 were here without interruption (doctors/dentist appointment etc.) on the days and times listed below. This will really help with completing the tests within the allotted time frame with few to no make-up testing sessions needed. There are a lot of field trips and other activities in the upcoming weeks, so it would be very helpful if we could avoid chasing down students to complete tests.
