Parent Information Session- Social Media Awareness

Thank you to all who joined us last Wednesday. For those who attended, if there are any volunteers who would like to join a subcommittee of our School Advisory Board, I would happily begin to collect names for a future meeting on supporting the ongoing efforts to find resources and implement school/parent efforts to manage the use of social media in our community.

A few resources are attached from the speaker last week. Additionally, the link for those unable to attend to access a recording and follow up resources, and future calls:

Attendance Glitch

Thank you all who shared that 1st quarter attendance and tardies were inaccurate for your child. There was a glitch (no end of the quarter in the system) that has since been corrected. All 2nd quarter attendance data will be correct and 1st quarter will show corrected.
